

# Aquaglide

## Syncro™

Description 4 person open deck towable with side wings.  
Specifications 84"L x 95.5"W x 16"H

When you step onto the dock with a Syncro™, this much is clear: it's you against the boat. If you think your team is up to the task, the Syncro™ is your weapon of choice. Syncro™ means pure adrenaline-pumping action and high performance. Built-in side wings keep the crew in control no matter how extreme the whip or how high the air. EVA knuckle guards protect sensitive areas. Built-in side wings smooth the ride and keep riders in control no matter how extreme the whip or how high the air.

Made using heavy duty 26 gauge PVC bladder covered in a combination of 600d polyester and 840d nylon for the best combination of strength, durability, performance and style. Includes heavy duty webbing reinforcement at towing eye, and a QuickConnect tow attachment.

### Syncro™ Features

#### **Rapid Inflate Valve**

This unique valve system offers the best possible combination of high air volume and ease of use.

#### **1 Year**

Aquaglide towables are the best in the business. We proudly offer a 1 Year warranty against manufacturing defects.

#### **QuickConnect Towing Attachment**

Makes connecting to the tow rope extremely quick, easy and safe.

#### **EVA Rash Guard**

Soft, forgiving protection against abrasion provided for knees, knuckles and other sensitive areas.

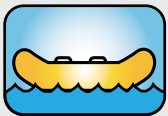

#### **FullWrap Cover**

Offers the security and stability of a heavy duty cover wrapping completely around the inflatable for higher performance.

#### **Webbing Reinforced Seams**

All Aquaglide high performance towables include 360 degree webbing-reinforced main seams for years of trouble-free use.

#### **UltraWing**

Features beveled side wings for maximum stability and performance over waves and wakes.

#### **En Compliant**

This product complies with all DIN EN 15649 product safety standards.
